Dear Mr. Rashid Mumtaz:

On behalf of the Worldwide Responsible Accredited Production's Certification Board, it is our distinct pleasure to award **Shaheen Knitwear** with the WRAP Certificate of Compliance. The WRAP certification is valid for a one-year period contingent upon the facility maintaining full compliance with the global WRAP Production Principles. This Certification expires a year from the date on this letter. The facility's WRAP number is: # 12188. The Certificate will be issued directly to the facility.

As per the rules of the WRAP Certification Program, the facility may be subject to an unannounced monitoring visit by an accredited WRAP Independent Monitor during the period of certification. If your facility is selected for an unannounced visit, you must provide full access and cooperation with the WRAP selected monitor. The selection of the accredited monitor and date of the follow-up visit is exclusively authorized by the WRAP Certification Board.

You may now communicate your WRAP Certification as you determine in your best interest. We congratulate your facility for its commitment and leadership in socially responsible global manufacturing practices.

Sincerely,

Steven A. Jesseph  
President & CEO
